Virginia Department of Environmental Quality  
Central Regional Office  
4949-A Cox Road  
Glen Allen, VA 23060

Dear Biosolids Specialists:

Synagro Central, LLC (Synagro), a residuals management company, is planning to provide biosolids to several approved sites in your region very soon. The sites utilized will depend upon several factors including but not limited to weather conditions, nutrient levels, crop rotations and biosolids availability. Specific information is attached to provide the location of each permitted site and the expected sources of biosolids to be applied at these sites.

Synagro is providing this information to the Department of Environmental Quality at least 14 days prior to commencing land application activities to comply with section 9VAC25-32-510(H) in Chapter 32 of the Virginia Pollution Abatement Permit Regulation.

If you have any questions, regarding this information, please call our office at 804-443-2170.

Sincerely,

Carolanne M. Whiteside  
Technical Services Coordinator
