Residents of Hickory Haven and Samary Forest

Re: Potential Sewer Line Installation

Dear Resident(s),

Several weeks ago, we sent information and a sewer interest survey to the property owners in Hickory Haven and Samary Forest. As of March 5th, we have about half of the surveys returned to us.

We are enclosing another survey in case you may have misplaced the first mailing, or you never received it. **We are requesting that the surveys be returned by March 15, 2018.** Your response is important in determining whether the County will pursue sewer installation in your neighborhood.

You may return the survey in the postage pre-paid envelope or email your response to tkilduff@goochlandva.us.

If you did not receive your original packet, we will be more than happy to provide you another copy.

If you have any questions or comments regarding this project. Please contact me at tkilduff@goochlandva.us or call 804-556-5869. Thank you for your time.

Very respectfully,

Todd Kilduff, P.E., Deputy County Administrator
