

SOLE SOURCE JUSTIFICATION
Not Required for Single Purchases Under \$5,000

6) How did you determine that there was only one source for the product or service? Describe what market research and/or evaluation of other products suppliers or service providers was made to determine that no other vendor either makes an acceptable product or can provide an acceptable service.

Esri is the only source that can grant a right to copy and deploy Enterprise Software within your organization (Enterprise). Also, domestically Esri is the only source of maintenance (updates and technical support) for all Esri® software.

7) How did you determine that the quoted cost of the goods or services is reasonable? The pricing is the same as the previous 3-year contract for licensing and support.

8) What product, system, or service provider has your Department used until now to satisfy this requirement?

Always used this product.

9) Is this request a one time request or is this a part of an on-going project that will require future expenditures? If yes, explain:

This is a onetime request. _____

10) Is this purchase for evaluation and testing? If yes, will there be competition after evaluation or will this supply or service become a sole source request?

No _____

11) What will be the consequences if this request is denied?

The County license will expire, we will no longer have rights to the software.
