

The Goochland County Board of Supervisors and School Board Members invite you to come learn about the 2021 Goochland Bond Referendum at upcoming Community Meetings being held in September and October.

Voters will have an opportunity on the November 2, 2021, general election ballot to cast their votes for two bond referendum questions that would authorize Goochland County to issue up to \$96 million in general obligation bonds to pay for county and school division projects. These projects will have a lasting and positive impact on our community.
