Project: Hickory Haven/Samary Forest Sewer Installation

RE: Project Update

Dear Property Owner:

We are pleased to announce that all easements necessary to complete this project have been conveyed, and we sincerely thank you for your patience during this process. We are now proceeding with the construction phase of this project, and we anticipate having a contractor selected by August 2021. Furthermore, we will share with you an updated construction schedule and other pertinent information once the construction contract is approved by the Board of Supervisors and the contractor can officially begin working on the project.

In the meantime, feel free to send me any questions you may have at mlongshore@goochlandva.us or contact our office at (804) 556-5835.

Very respectfully,

Matt Longshore, PE
Director of Public Utilities
mlongshore@goochlandva.us

Cc: Jo Ann Hunter, Deputy County Administrator
Wayne Stephens, PE, Assistant Director of Public Utilities
Don Sharpe, District 4 Supervisor
