Subject: Redistricting

Thank you for all of your efforts on the redistricting initiative. I have GLE this evening and can not attend tonight's meeting, so I would like to offer this change for your consideration; Regarding the border between Districts 4 & 5, specifically the area in and around Kinloch. The residents in the homes surrounding the Hermitage Country Club area share a significant amount of commonality with the Kinloch neighborhood, and I would propose should be regarded as one 'subdivision' or 'neighborhood'. Likewise there is no 'connection' between the Hermitage/Kinloch area and the Mosaic area, nor with any of the other areas sprouting up north of Tuckahoe Creek Parkway or East of Hockett. Please consider incorporating Kinloch and the Hermitage area into the same District, either 4 or 5.
