## If you could make just ONE CHANGE in the Village, what would that be?

Expand rescue services	Remove garage next to the courthouse	should look cohesive
River Walk with restaurants and cafés	Density	Sidewalks
Make more cohesive look	Sense of place and pride	Attainable housing
Emergent care	Workforce housing	Sell land back to private owners.
More evening/night life	Remove half of the street lamps	More sidewalks and walkability
Cheaper housing	A road diet	Government land ownership
Better skate park	Safer roads for pedestrians/ kids walking to school	More mom/pop stores
More cows.	Uniformity of design	Uniformity in building design
Biking areas	High density Reed Marsh	Construct a bypass
Connecting sidewalks and bike paths	Building design	Decrease the boundaries.
Walkability	walkability everywhere	Have affordable housing
More medical complexes.	Better walking paths	Better road access
Walking path	Public activities	More and better marked public parking.
Too hard to get here from other places	Different use of Ford dealership site	Hilltop
The county to sell the land back over to private owners	Fix the sidewalks down River Road	Bikeways
Women's state facility- the larger facility down 6 has space.	Senior living	More restaurants
